Collaboration of Logiquest was signed during the month of December 2020 between Santosh Deemed to be University and Logiquest with an objective of providing students a better exposure of Medical Industry to the students of Santosh Medical College and Hospital. The MoU will provide guidance to the students of Santosh Medical College and Hospital who aspire for cracking the USMLE competitive examinations which is a gateway for taking higher education in Medical field abroad.

Accordingly as an IQAC initiative, the Second Introductory Orientation Programme has been planned with the help of Dean Academics, Director IQAC, Dean Students Welfare and conducted for the MBBS students have been conducted on 31.05.2022 at Maharaja Hall. Mr. Abhishek Bhavadhankar, National Head - Thinkcell Learning Solutions Private Limited has conducted the orientation Programme. 162 MBBS students of First, Second and Third year students, who aspire for moving abroad for higher education, have attended and benefitted out of it. During the session the students were introduced with the different levels of stages one will be required to clear to get through the competitive examinations and the ways how questions may be twisted and sarcastically asked and also shared them the tips of catching the key word of the questions and crack them accordingly. It was a very well framed session and a lot of things were there which were new to students and they have learnt and motivated to learn more in a very easy and interactive session.

Below are some of the sample feedback forms of the students. The students requested to have small group discussion and guidance for the same.
