Resolution

The minutes of the previous meeting held on 17th August 2018 were confirmed.

Timely submission of AQAR 2017-2018 to be done. The coordinator requested for some pending information and appreciated the efforts of all towards the compilation of the AQAR. Certain areas were discussed and modalities pertaining to maintaining data for access, retrieval and subsequent analysis was done.

Staff members are encouraged to submit various projects to the funding agencies such as T B Association which has advertised for provision of Extra Mural Funding. Staff members of all departments are requested to send their respective projects through Dean Research for further approvals.

To strengthen feedback mechanism for improvement as a whole the performance and effectiveness of the institution. Revision to be done by IQAC and shared with all departments for quality practices.

Industry has its own importance in the career of a students and should be made an integral part of the curriculum. Hence visits to be encouraged to provide an insight to the students to go beyond academics and highlight the practical perspective for interaction and employment practices.

Workshops and interactive sessions to be a continuous process with all departments and to engage in Interdepartmental activities. While acknowledging that there are activities being conducted it was brought to the notice that there has to be a review to improve and bring about the visibility of IQAC among the stakeholders. Reports of all activities to be documented and submitted.

With respect to the Extracurricular activities it was suggested that these be distributed for effective measures and may interact with smaller groups informally to coordinate and work out the tentative plans and work more closely.

The meeting was closed and the date for the next meeting to be intimated to the members shortly.
