## Most Prestigious Institute for **Medical, Dental & Allied Health Sciences Education**

Evolving over time to become a leading provider of Medical, Dental, and Allied Health Sciences education, we are committed to contributing to advancements in healthcare research and practice. We emphasize the importance of lifelong learning to adapt to the ever-evolving healthcare landscape.

By fostering a culture of continuous learning, we empower healthcare professionals and practitioners to stay updated with emerging technologies and treatment modalities, ensuring that patients receive the best possible care. Additionally, we promote a culture of innovation and improvement in healthcare delivery.

### Green Campus

Lush green fields in the campus make the campus a green and conducive place for the pursuit of education. It creates a serene and inviting atmosphere that enhances the learning experience. The abundance of greenery not only adds aesthetic appeal but also promotes a sense of tranquillity allowing students to find solace & focus in their academic endeavours.

## Dr. P. Mahalingam

MD (General Medicine)  
DM (Cardiology)

As a true visionary, Dr. P. Mahalingam was never complacent with the accolades and laurels he earned rather he was driven by the zeal to do more for healthcare by establishing the Institute of Medical, Dental, Paramedical, Paradental and Nursing Colleges. His unquenchable thirst to provide quality education led to the formation of Santosh Deemed to be University. With the main thrust on Research and Innovation in the field of Health Sciences, Santosh Deemed to be University became a model Institution with unique values.

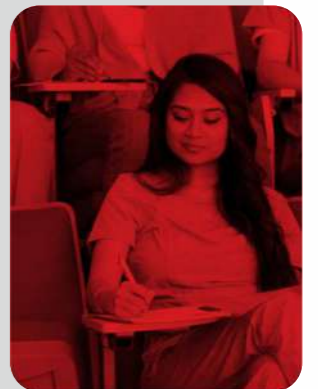

Dr. P. Mahalingam has a deep desire to make a difference in people's lives & poured his heart and soul into Santosh Hospitals. With its exceptional Medical services, the Hospital's commitment to providing top-notch healthcare services to everyone, regardless of their socioeconomic background, sets it apart from others in the region. With its state-of-the-art facilities and highly skilled Medical staff, Santosh Hospitals became a symbol of equality and compassion in the healthcare industry. Dr. P. Mahalingam's dedication to serving both the rich and the poor created a sense of unity and solidarity among the patients, fostering a supportive and inclusive environment within the Hospital. Regardless of their financial status, patients felt valued and respected, knowing that they would receive the same level of care and attention. Santosh Hospitals became a shining example of how healthcare should be provided,

inspiring other institutions to follow suit and prioritize equal access to quality Medical services for all individuals. It became a beacon of hope for those who had previously been denied access to quality healthcare and became overwhelmed with a large influx of patients.

During this eventful journey, Dr. P. Mahalingam was conferred numerous honors and awards. His contributions and achievements were recognized not only in India but also internationally. Dr. P. Mahalingam's dedication to promoting Indo-American relations and fostering business partnerships between the two nations earned him great admiration and respect. "Citation by the Senate of the State of Wisconsin" highlighted his exceptional efforts in strengthening cultural and economic ties, while the Award of Appreciation by the Indo-American Chamber of Commerce USA acknowledged his outstanding contributions to the business community. These honors served as a testament to Dr. P. Mahalingam's remarkable impact and influence on the global stage.

**FOUNDER CHAIRMAN**

# University Campus University Campus

A prestigious institution, Santosh Deemed to be University serves as a distinct institution and committed to excellence in delivering quality Medical and Dental education. In addition to offering degrees in Medicine & Dentistry the University is dedicated to nurturing the next generation of healthcare professionals by providing an environment for learning and discovering through Health Sciences Education, Research and Comprehensive Healthcare. At Santosh Deemed to be University, we provide state-of-the-art learning facilities for today's Health sciences students with distinguished and committed faculty providing thoughtful and humanistic mentoring having clinical experiences in their expertise.

The Medical college is supported by on-campus super-specialty teaching and a network group of Hospitals where clinical skills are developed within students. Established with a rich legacy spanning over 25 years after its inception the institute is considered as the Best Central Medical Deemed to be University in India. The programmes offered are recognized by the Ministry of Health and Family Welfare (MoHFW) of the Government of India.

In the same manner, Santosh Dental College started in 1995 with an aim of imparting a higher-level education in dentistry. Initially, the institution offered a foundation course in BDS since 1996 by accepting 40 students annually. By 2006, this intake had increased to 100 per year. It has now become the best university for higher medical & dental education. The University has evolved into a campus of excellence & is well recognized Nationally & Internationally for its outstanding services, dedicated staff & students with a holistic approach to Education, Healthcare services & Research.

Our world-class faculty and diverse student body foster an environment that values innovation, critical thinking, and practical experience. As a global hub for education and innovation, we continue to empower individuals who will shape the future of healthcare, research, and education across the world.

**Dr. Y.M. Jayaraj**  
Chancellor

Santosh Deemed to be University is a leading medical institution dedicated to providing quality education and state-of-the-art infrastructure for undergraduate, postgraduate, and Ph.D. programs. The university strives to enhance the health and well-being of the local community through various outreach and awareness programs, as well as special campaigns.

With a team of experienced faculty, the university fosters a research-oriented mindset among its students, supporting their growth into future leaders in healthcare and research. Students benefit from a world-class education environment in the heart of the nation's capital, where academic excellence and practical learning go hand in hand.

Committed to offering both national and international experiences, the university has established partnerships through Memorandums of Understanding (MoUs) with renowned organizations, industries, and universities. These collaborations open doors to a broader learning landscape, allowing students to gain global exposure.

We aim to equip our students with the skills, knowledge, and values they need to succeed in the competitive, global job market.

**Dr. Manoj Goyal**  
Pro-Chancellor

Santosh Deemed to be University has set benchmarks every year, since it was started in 1995-96 as a part of Santosh Group of Institutions & now has grown into a Household name in Delhi NCR Region in the field of Medical Education. Santosh Deemed to be University is a Student-centric university; every step of the journey is focused on distinct needs and potential of our Pan India students. The university seeks to represent enduring values, traditions, including academic flexibility, Intellectual, integrity & equality to all states, religion & cultures. University strives to develop professionals with leadership qualities & skills needed to succeed throughout their life journey and careers With good Curriculum & High Academic standards, the university provides students with a pathway to compete Nationally & Globally. There has been a conscious effort on the part of university to empower woman, by having their active participation in Governance, Providing Equal opportunities in top Leadership, Research & Administrative Positions. The university take Environment Consciousness, Gender Sensitization & other cross cutting issues on Priority and has drawn a clear road map & timeline to achieve its goal by year 2025.

Jai Hind

**Prof. Dr. V. N. Mahalakshmi**  
Vice Chancellor

Santosh University stands as a beacon of excellence in medical, dental, and allied health sciences education, and I am both humbled and excited to contribute to its continued success.

Together, we have the unique opportunity to redefine what it means to be a part of a thriving academic community. I firmly believe that teamwork and collaboration are the cornerstones of meaningful progress. As educators, healthcare professionals, and students, let us unite our strengths to create a culture where interdisciplinary learning and innovation flourish. By breaking silos and embracing collaboration, we can harness the collective brilliance within our university.

My vision for our university focuses on fostering a system that thrives on academic and research excellence. We will encourage innovations that address real-world healthcare challenges and empower our students with 21st-century skills, through transformative learning experiences.

Together, let us aim not just to meet standards, but to set them. Let us make Santosh University as a hub of knowledge, innovation, and service, where every individual can realize their potential and contribute meaningfully to the world.

**Dr. V P Gupta**  
Director Academic Administration

I, with immense pleasure, welcome you to the Santosh Deemed to be University, Ghaziabad, Delhi- NCR where your journey starts towards an important goal to become a good Doctor to serve humanity. Santosh Deemed to be University serves as a unique Institution delivering quality Medical, Dental education and services with a smile. Several Institutions function under the auspices of Santosh Deemed to be University providing excellent academic and infrastructural facilities.

Santosh Medical & Dental College Hospitals, which was established in 1995, has played a crucial role in setting high standards of excellence in Medical Education and ethical practices in a short span of 28 years. We look forward to providing 'quality based globally acceptable Medical education' which is affordable & accessible to produce healthcare providers with humane touch.

**Dr. Ezhilrajan. K**  
Registrar

Santosh Deemed to be University is one of the pioneering medical universities, dedicated to offering quality education and state-of-the-art infrastructure for various UG, PG, and Ph.D. programs. The university consistently works to improve the health and well-being of the local community through outreach programs, awareness campaigns, and special initiatives.

Students at the university are fortunate to learn from experienced staff members who foster a research-driven mindset and provide ample support to aspiring young minds, creating an environment of world-class education in the capital city of our country.

The university also offers a range of national and international experiences by signing Memorandums of Understanding (MoUs) with reputed organizations, industries, and universities. Committed to producing graduates with advanced skill sets and knowledge, the university prepares students to become pillars of their respective organizations, equipped to meet international job standards.

**Dr. Shalabh Gupta**  
Dean Academics

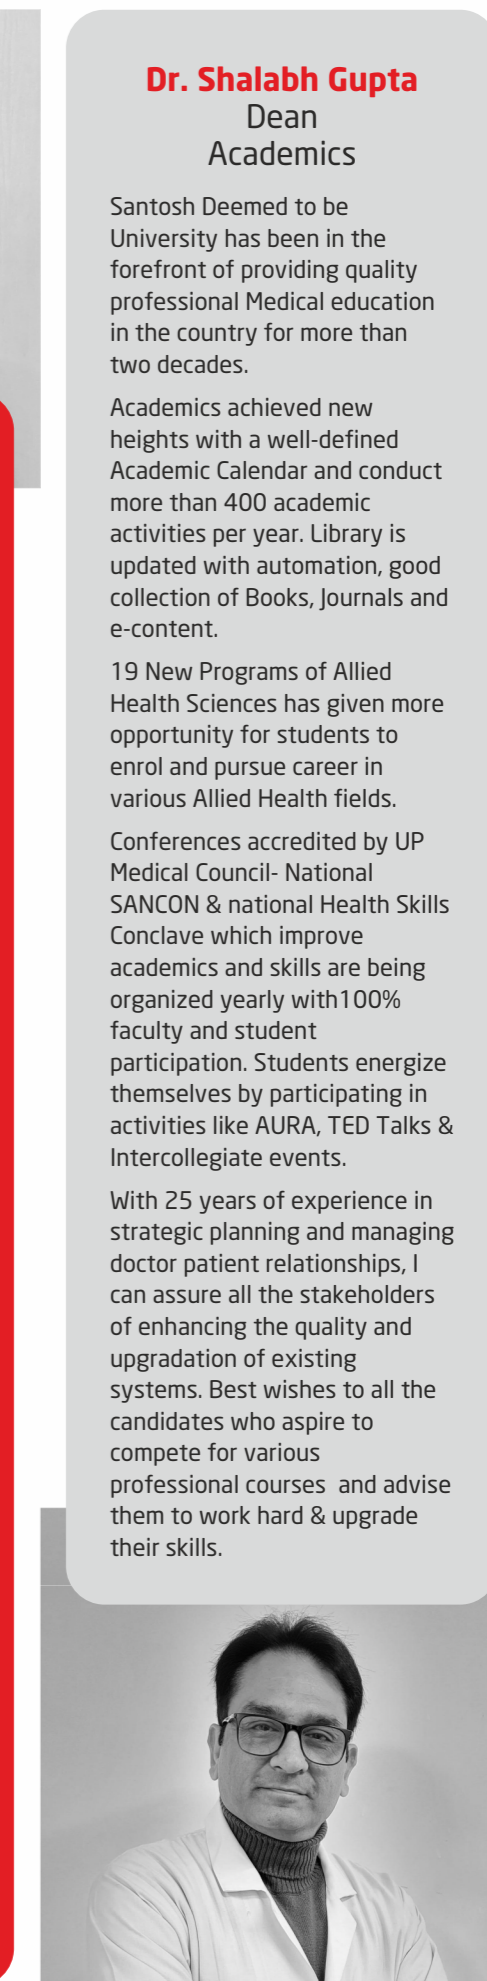

Santosh Deemed to be University has been in the forefront of providing quality professional Medical education in the country for more than two decades.

Academics achieved new heights with a well-defined Academic Calendar and conduct more than 400 academic activities per year. Library is updated with automation, good collection of Books, Journals and e-content.

19 New Programs of Allied Health Sciences has given more opportunity for students to enrol and pursue career in various Allied Health fields.

Conferences accredited by UP Medical Council- National SANCON & national Health Skills Conclave which improve academics and skills are being organized yearly with 100% faculty and student participation. Students energize themselves by participating in activities like AURA, TED Talks & Intercollegiate events.

With 25 years of experience in strategic planning and managing doctor patient relationships, I can assure all the stakeholders of enhancing the quality and upgradation of existing systems. Best wishes to all the candidates who aspire to compete for various professional courses and advise them to work hard & upgrade their skills.

**Dr. Akshaya Bhargava**  
Dean  
Santosh Dental College

Welcome to our College of Dentistry which is a special place of Learning, Innovation and Transformation. For decades, we have been recognized as one of the nation's leading centre of Dental Education, Oral Health Research and Patient Care. Our vision is to enhance health by advancing Dentistry through inspired Leadership, Innovation and excellence in Education, Research and Clinical practice.

Our institute has accomplished and achieved distinguished headway in augmenting the departments with contemporary technological expansions like Endodontic Microscopes, CBCT, Aligner, Conscious Sedation Unit, Intra Oral Scanners & 900 Bedded Hospital for Trauma & Surgical cases. These inclusions have enhanced the Clinical, Academic and Research Cohesiveness and their Applicability at our institute. The fundamental elements of our mission are Personal Development, Professionalism as Specialists, Researchers and the highest Ethical Standards to develop future Academicians, Researchers, Clinicians and Community leaders complimented by compassion, integrity & empathy.

**Dr. Alka Agrawal**  
Dean  
Santosh Medical College

It gives me immense pleasure in welcoming you all to Santosh Deemed to be University. As dean, Santosh Medical college and hospital, a constituent college of the university I take pride in the quality of education imparted to the students. Santosh Medical college and hospital has established itself as a professional institution in imparting not only quality education under a congenial atmosphere, but also to sensitize our students towards environmental & gender issues. It has renowned faculty from reputed Medical Colleges throughout India.

The institutions offer a platform for innovative research at the student level itself. It also has a supporting atmosphere for extracurricular activities, especially outdoor sports & Yoga. Here, we at the University believe in developing & nurturing healthy professionals who can contribute towards sustainable Development Goals of India and at the same time be globally relevant.

Santosh hospital offers world class amenities and state of the art care to its patients and has earned recognition from various governmental and non-governmental quarters for its selfless service offered to the community.

**Dr. Jyoti Batra**  
Dean Research

The nature of research activity in a medical university defines the intellectual climate of the institution. Experimental investigation of the mechanisms and consequences of human disease and trauma provides insight for developing novel strategies to maintain wellness and treat sickness. The role of Research Unit of Santosh Deemed to be University is to drive strategy that supports individual scientists and research staff with their facilities and administrative needs. To facilitate this vision, Santosh Deemed to be University provides research support in terms of global infrastructure, Research and statistical databases, a well-established clinical Trial Center and Innovation and Incubation Center.

A professional development fund and Academic Research Grant enables faculty to pursue quality research. An attractive reward system is in place to encourage quality publications and Innovative Research. A number of faculty development programs are conducted to keep them updated and induction program have been introduced for students and research Scholars to apprise the with latest knowledge and techniques. A separate Bioethics Unit is actively working towards the promotion of ethics in Research.

**Dr. Dakshina Bisht**  
IQAC  
Director

It is my pleasure to welcome our faculty and staff and students of Santosh Deemed to be University! Here you will become part of a larger community of service-oriented scholars aiming to change lives through Education, Research and Care. Our focus is to offer an environment where you will become Leading Practitioners in Medicine who choose to make a difference in the lives of others. To enable this, we create a collaborative culture where faculty, staff and students can push their limits, explore new possibilities and raise their knowledge and skills to new and higher levels. Santosh Deemed to be University offers academic excellence and intellectual diversity in an environment where we can all come together for Interdisciplinary accomplishment working through an ever-evolving, innovative and rigorous curriculum of new knowledge. Our programs focus on best practices in patient care, delivery through innovative teaching strategies and state of the art facilities ensuring a seamless transition from basic to clinical science applications. Our committed and experienced faculty and staff will help you shape your mind, develop your abilities and hone your character to become the next generation of leaders in health care, biomedical sciences, health services research and academic medicine.

**Dr. Pradeep Sharma**  
Controller of Examination

The examination system is one of the pillars of an institution that incessantly strives towards the betterment of students' potential and their knowledge to ensure that each student brings laurels to the institution and shines brightly in his or her field of study. Our main objective is that students graduating from Santosh Deemed to be University shall stand tall and undeviated at any step forward during their career, using their expertise and best capabilities and accepting any sort of unprecedented challenge whenever required.

As a Controller of Examinations, I am determined towards systematic and fair conduct of examinations, enhancing the quality of the existing systems of examinations, evaluations, results along with ensuring technical upgradation of the department bringing transparency in the system as a whole, and supporting Santosh Deemed to be University to reach new heights of success during future years.

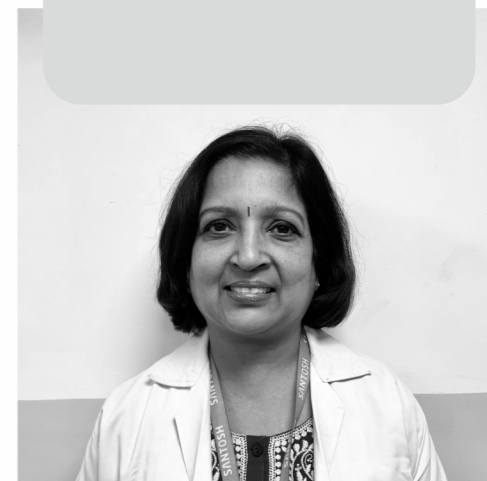

As per the mission and vision of our university, we are all dedicated to inculcate human values and sincerity in our students in their best interest during all endeavours, developing them into civilized and disciplined human beings of the country.

Wishing Best of Luck to our dear students.

**Dr. Alpana Agarwal**  
Medical  
Superintendent

Santosh Deemed to be University is committed to achieving global standards of excellence in education and healthcare. It provides a unique educational environment for training the students with latest knowledge and skills.

It equips them to face the real-world challenges and infuses them with the core values of ethics, integrity, transparency, commitment, collaboration through teamwork, compassion and human touch and helps them to become insightful, honourable and responsible citizens. The renowned faculty members foster an ecosystem for creativity and imagination, disseminate knowledge through cutting edge research, innovation and emphasis on personal growth so that the students achieve the highest level of professionalism and provide comprehensive patient care with dignity and empathy I congratulate and welcome you all and wish you success.

**Dr. Rajiv Ahluwalia**  
Dean Student Welfare

Welcome to Santosh Deemed to be University's Dean of Student Welfare office—a haven for your success and well-being. As the Dean of Student Welfare, I prioritize your journey in our inclusive environment. Academically, seek support through tutoring, study workshops, and counseling. Our skilled counselors are here for your mental well-being, offering confidential assistance. Embracing diversity, we collaborate with student organizations, clubs, and societies, enhancing your university experience.

Our health and wellness services, including medical care and education, promote a healthy mind and body. Life's challenges are met with our comprehensive support services – financial aid, housing guidance, and transportation resources. Explore our offerings; let's create an environment where every student thrives. Together, as a united community, let us sculpt a legacy where resilience, achievement, and shared success define the essence of Santosh Deemed to be University. Your aspirations fuel our commitment to excellence, ensuring your university experience transcends expectations. Welcome to a transformative journey where your potential finds purpose and every student emerges triumphant.

**Dr. Manish Sabharwal**  
Medical Director,  
Santosh Medical College  
and Hospital

An esteemed Medical Director at Santosh Medical College & Hospital, brings a wealth of expertise to the intersection of Healthcare Administration and Emergency Medicine. His educational journey, including an MBA in Business Strategy and Leadership from Drury University Springfield, MO, USA, and a Doctor of Medicine (MD) from Tver State Medical Academy, underscores his commitment to both medical proficiency and strategic leadership. In his current role as Medical Director, Dr. Sabharwal shoulders a multitude of responsibilities pivotal to the institution's success. He orchestrates strategic growth of the Hospital, ensuring the development and maintenance of high-quality medical services at Santosh Medical College and Hospital. His oversight extends to encompassing responsibilities for the Hospital, where he plays a critical role in refining protocols, managing patient flow, and fostering clinical excellence. As a founding member and director of the Hospital Administration programs at Santosh Deemed to be University, he contributes significantly to the education and training of future healthcare professionals.

## Anti-Ragging Cell / Zero Ragging Campus

## Santosh Dental College

### Centre of Excellence Santosh Dental College imparts Real-Life, Experience Based Teaching

The Government of India, under Section 10A (4) of the Dentists Act 1948, granted permission to start the BDS program with an intake of 40 students from the academic session 1995-96 in Santosh Dental College, Ghaziabad. Initially, the program started with 40 students. The Central Government granted permission to increase the student capacity from 40 to 100 from the batch of 2004-2005. The students are given a complete understanding of the biological and physical processes of oral health care. They learn the skills associated with the prevention, diagnosis, and treatment of diseases related to the oral cavity. The students learn to serve society by improving the Dental and Oral Health of individuals. The associated Dental Hospital provides special Dental care in various specialities.

Santosh Dental College & Hospital program has a sanctioned intake of 100 seats for BDS program & 27 seats for MDS program every year as approved by the Dental Council of India. Following our vision for developing professional leaders, Santosh Dental College has highly specialized units and equipment managed by skilled staff. The College has upgraded Skill labs with Digital Portable X-rays, in-house Aligner system, Sedation unit and Scanners. Besides regular lectures, practical and to

develop critical understanding, there is a special emphasis on Research. Santosh Dental College has published around 330 papers in various National and International Indexed journals in the last 5 years. Our faculty members have received several Patents, Copyrights and awards for Innovation. Several Short-term Studentship (STS) and Start-up research proposals of Undergraduate and Postgraduate students have been approved by Indian Council of Medical Research (ICMR). Recently our academic achievers were given the opportunity to visit the International Education tour at IDS Cologne, Germany. As a continuous effort to train our students with state-of-the-art facilities, the College promotes interactive activities and socio-cultural meet such as AURA, Commemorative days along with Conferences and Faculty development programs. At our Institute, we provide opportunities for life enhancing community service through Outreach activities and Field visits. At our Institute, we provide opportunities for life enhancing community service through Outreach activities & Field visits. We believe that complete education is what makes a student self-educated.

## Departments

- Prosthodontics and Crown & Bridge
- Conservative Dentistry & Endodontics
- Periodontology & Oral Implantology
- Orthodontics & Dentofacial Orthopedics
- Oral & Maxillofacial Surgery
- Oral Pathology & Microbiology
- Oral Medicine & Radiology
- Pediatrics & Preventive Dentistry
- Public Health Dentistry

## Programs Offered

### Undergraduate Dental Program

\*Recognized by DCI

- BDS (Bachelor of Dental Surgery)

### Diploma Dental Programs

\*Recognized by DCI

- Diploma in Dental Hygienist Course (DHC)
- Diploma in Dental Mechanics Course (DMC)

### Postgraduate Dental Programs

\*Recognized by DCI

- MDS Conservative Dentistry & Endodontics
- MDS Orthodontics & Dentofacial Orthopedics
- MDS Oral & Maxillofacial Surgery
- MDS Oral & Maxillofacial Pathology & Oral Microbiology
- MDS Pediatric & Preventive Dentistry
- MDS Periodontology
- MDS Prosthodontics and Crown & Bridge

### Ph.D. Programs

\*Recognized by UGC

- Ph.D Orthodontics & Dentofacial Orthopaedics
- Ph.D Oral & Maxillofacial Surgery
- Ph.D Pediatric & Preventive Dentistry
- Ph.D Integrated Implantology

## Allied Health Sciences

Santosh Institute of Allied Health Sciences has a significant role of educating and nurturing students to become creative bio-medical and proficient allied health care professionals. Allied Health Sciences play a pivotal role in the modern health care systems and in curing patients.

The institution thrives for an educational learning environment to its students through pursuit of knowledge and community exposure for a complete well-rounded education. It is committed to foster a culture of lifelong learning and professional development among its students, preparing them to excel in the rapidly evolving field of Allied Health Sciences.

On-going scientific Research also constitutes a major and important part of aligning skills and relevance creating a positive impact with a well equipped with state-of-the-art Research centre.

The Institute offers programs in Medical Imaging Technology, Optometry, Medical Microbiology, Laboratory Technology, Operation Theatre Technology, Nursing, Physiotherapy & Occupational Therapy. These programs provide students with comprehensive theoretical knowledge and hands-on training skills to pursue careers in the healthcare industry. The Institute also offers opportunities for internships and placement assistance, allowing students to gain real-world experience in their chosen field.

## Nursing

Santosh Nursing College offers Diploma, Graduate and Postgraduate degree programs. The college is equipped with high-quality Nursing education to produce competent and skilled Nurses who are committed to high degree professional engagement and holistic healing. The college is attached to the 800+ bedded multi-specialty and superspecialty Santosh Medical College & Hospital and is an Indian Nursing Council (INC) and State Nursing Council (SNC) approved college. The college is affiliated to the Atal Bihari Vajpayee Medical University (ABVMU), Lucknow.

## Physiotherapy

Santosh College of Physiotherapy offers Graduate, Postgraduate and Ph.D. degree programs. Teaching at the institution is based on comprehensive learning of Physiotherapy techniques and practices which allows students to develop hands-on learning experience to become a world-class Physiotherapist. The highly qualified and clinically oriented faculty use a variety of contemporary pedagogic strategies that include a judicious knowledge of laboratory instructional facility. The college is attached to the 800+ bedded multi-specialty and superspecialty Santosh Medical College & Hospital and is affiliated to the Atal Bihari Vajpayee Medical University, Lucknow and accredited by Indian Association of Physiotherapist.

## Occupational Therapy

Santosh College of Occupational Therapy is the first oldest and apex college of Occupational Therapy in Uttar Pradesh and is accredited by AIOTA (All India Occupational Therapist Association) and WFOT (World Federation of Occupational Therapy). It offers Graduate, Postgraduate and Ph.D. degree programs. The college provides teaching and skill training to students with the high-quality medical education and training to students as competent Occupational Therapist. The college is attached to the 800 + bedded multi-specialty and superspecialty Santosh Medical College & Hospital and is affiliated to the Atal Bihari Vajpayee Medical University, Lucknow.

## Medical Radiology & Imaging Technology

Santosh College of Medical Radiology & Imaging Technology offers Diploma, Graduate, Postgraduate and Ph.D. degree programs. With experienced faculty and state-of-the-art facilities, the department is committed to provide highly competent education, practical and clinical training to students. The lab is well-equipped with all modern facilities including Digital X-Ray, Fluoroscopy, Ultrasonography, Mammography, CT scan, MRI, cardiac Cath lab are used to diagnose diseases. The department is attached to the 800+ bedded multi-specialty and superspecialty Santosh Medical College & Hospital.

## Laboratory Technology

Santosh College of Laboratory Technology offers Diploma, Graduate degree and Postgraduate degree programs. The department is attached to the 800 + bedded multi-specialty and superspecialty Santosh Medical College & Hospital. The state-of-the-art infrastructure includes well-equipped laboratories, classroom teaching and libraries that provide a learning environment and hands-on experience to students to become caring, compassionate, ethical and proficient healthcare professionals.

## Medical Microbiology

Santosh College of Medical Microbiology offers Graduate, Postgraduate and Ph.D. programs. The approach of the department is to provide up-to-date and holistic theoretical and practical training to train students. Training is given in Bacteriology, Mycology, Parasitology, Virology, Serology, Immunology, Mycobacteriology along with Molecular Diagnostics providing clinical diagnostic services to community along with teaching and Research activities. The department is attached to the 800+ bedded multi-specialty and superspecialty Santosh Medical College & Hospital.

## Programs Offered

### Undergraduate Allied Health Sciences Programs

\*Affiliated by ABVMU

- BPT (Bachelor of Physiotherapy)
- BOT (Bachelor of Occupational Therapy)
- BMLS (Bachelor of Medical Laboratory Science)
- BMRIT (Bachelor of Medical Radio Imaging Technology)
- BOMM (Bachelor of Medical Microbiology)

### Postgraduate Allied Health Sciences Programs

\*Affiliated by ABVMU

- MPT (Master of Physiotherapy)-Neurology
- MPT (Master of Physiotherapy)-Orthopaedics
- MPT (Master of Physiotherapy)-Cardiothoracic & Pulmonary Diseases
- MOT (Master of Occupational Therapy)-Neurology
- MOT (Master of Occupational Therapy)-Orthopaedics
- MOT (Master of Occupational Therapy)-Pediatrics

### Diploma Programs

\*Affiliated by UP State Medical Faculty

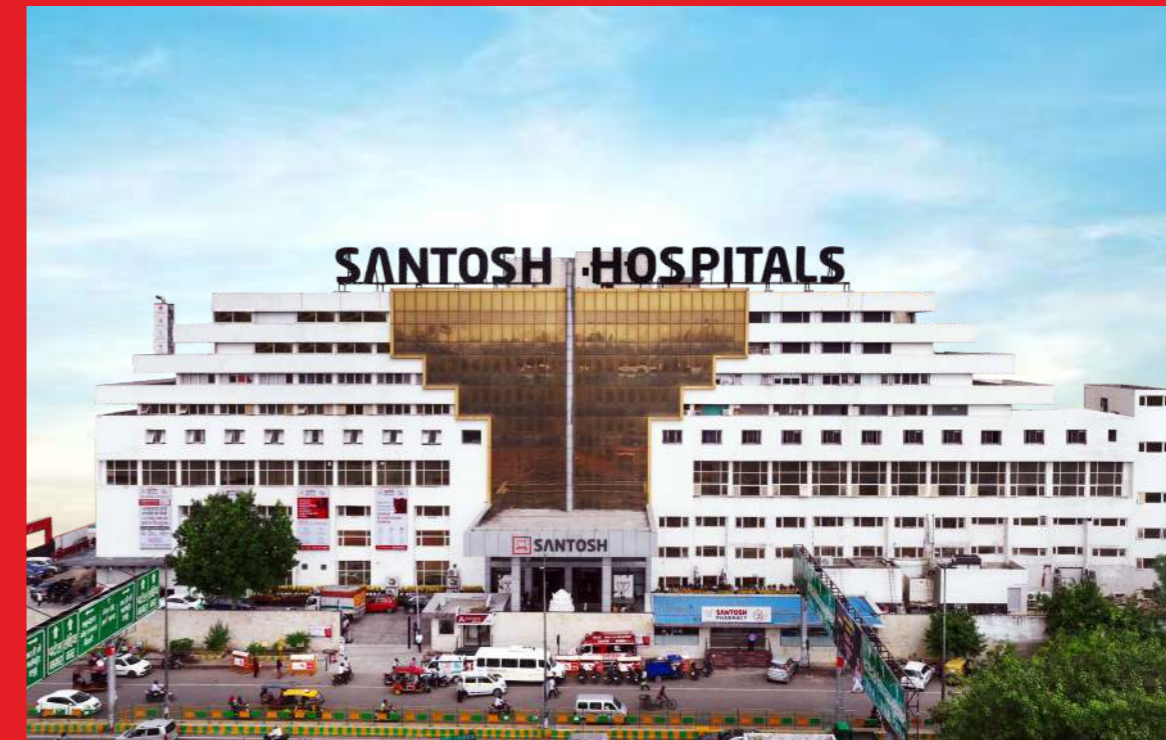

- DMLT (Diploma in Medical Lab Technology)
- DO (Diploma in Optometry)
- D. X-Ray (Diploma in Radio Technology)
- DOTT (Diploma in OT Technician)
- Diploma in Central Sterile Supply Department (DCSSD)

### Nursing Programs under Santosh College of Nursing

\*Affiliated by ABVMU

- GNM (Diploma in General Nursing & Midwifery)\*\*
- B.Sc. Nursing (Bachelor of Science in Nursing)\*
- Master in Nursing-Community Health\*
- Master in Nursing-Obstetrics & Gynecology\*
- Master in Nursing-Medical & Surgical\*
- Master in Nursing-Mental Health\*
- Master in Nursing-Pediatrics\*

## Santosh Hospitals

We are a premier 900 bedded hospital in the heart of Ghaziabad. To provide quality care at subsidized rates to one and all is our motto. Our facility in Ghaziabad brings multi-specialty care within the reach of a vast region of population. Recognizing the need to bring advanced technology and clinical expertise together, we have taken steps to choose both with the utmost care and have onboard, outstanding clinicians with an exemplary track record to lead and develop teams for excellence in Practice, Education and Research. We are also committed to compassionate care as reflected insensitivity and responsiveness to patients and their families. For us, patient and family satisfaction is paramount.

To empower the clinician, we have put together the technology that would enable early and accurate diagnosis and precision in treatment. For all care givers including nurses, technicians and paramedics who would build their careers with us, we offer an institutional ethos that would nurture individual growth and foster team spirit. While the need spurs us towards excellence in outcomes and care, we promise to always judge ourselves by global standards that are grounded in evidence-based medicine and cost-effective care.

## Recognitions @SantoshHospitals

Visit-1

### Hon'ble Chief Minister of Uttar Pradesh Shree Yogi Adityanath ji visit to Santosh Hospitals - Ghaziabad

We extend our sincere appreciation to Hon'ble Chief Minister Shree Adityanath Yogi Ji for his inaugural visit to Santosh Hospitals during the initial wave of the Covid-19 pandemic. His presence infused healthcare workers with strength and positivity, serving as a catalyst for our collective success in controlling and combatting Covid-19 in Ghaziabad. Through his unwavering support and guidance, coupled with efficient Covid management strategies, we navigated the challenges with resilience and determination. Hon'ble Chief Minister Yogi Ji's visit exemplified his commitment to public health and inspired us all to persevere in the face of adversity, ensuring a safer and healthier community for everyone.

## Visit-2

### Hon'ble Chief Minister of Uttar Pradesh Shree Yogi Adityanath ji visit to Santosh Hospitals - Ghaziabad

During his visit to Santosh Hospitals, Ghaziabad, Chief Minister Yogi Adityanath reviewed the facility's readiness to combat the impending third wave of COVID-19. He commended the proactive measures implemented to mitigate the pandemic's impact and uplifted healthcare workers with his presence, fostering a sense of strength and optimism. Stressing the importance of continued vigilance, particularly for vulnerable groups such as the elderly, women, and children, CM Yogi urged adherence to preventive measures like mask-wearing and avoiding crowded spaces. His visit underscored his unwavering dedication to public health, motivating all stakeholders to persevere in ensuring a safer and healthier community.

## AYUSHMAN INDIA 2021

Santosh Hospital proudly received the prestigious "Ayushman India Award 2021" on December 24, 2021. This esteemed accolade was conferred by the Hon'ble Union Minister, Shri Ashwini Kumar Choubey, in recognition of the hospital's exceptional contributions to healthcare and medical services, particularly during the challenging times of the Covid-19 pandemic.

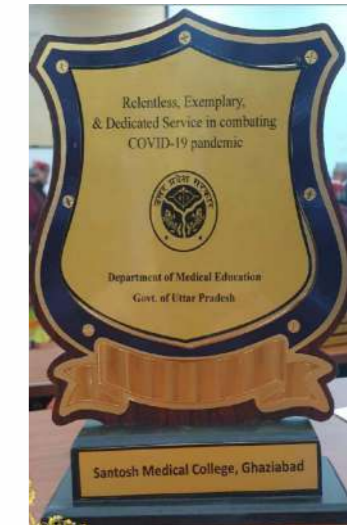

The award serves as a testament to Santosh Hospital's unwavering dedication, innovative approaches, and outstanding performance in delivering exemplary healthcare solutions amidst unprecedented circumstances. This honor reaffirms Santosh Hospital's commitment to excellence and underscores its pivotal role in serving the community with compassion, expertise, and resilience.

## STATE AWARDS 2022

Santosh Hospital was honored with the Award of Excellence by the Government of Uttar Pradesh in recognition of its unwavering dedication and exemplary service during the Covid-19 pandemic. Presented by the esteemed Hon'ble State Cabinet Minister, Shri Suresh Khanna, on January 6, 2022, this accolade reflects the hospital's relentless efforts, exemplary commitment, and dedicated service in combating the challenges posed by the pandemic.

Santosh Hospital's proactive approach, tireless dedication, and exceptional performance have significantly contributed to the state's efforts in controlling and managing the Covid-19 crisis. This prestigious award underscores the hospital's pivotal role in safeguarding public health and exemplifies its commitment to excellence in healthcare delivery.

## Santosh Hospitals Light House of Ghaziabad

### Santosh Hospital is the only L-3 Hospital in the Entire Ghaziabad District

#### Leader in the field of Medical Care:

District Ghaziabad was ranked as first among all districts in the country in combating Covid 19 in a survey conducted by Marketing and development board and shortlisted to be awarded at India Today Healthgiri awards 2021. The parameters included adoption of best practices to combat Covid 19, mortality rate, recovery rate and vaccination amongst others. Santosh Medical College and hospital played a major contributory role in this endeavor of combating and controlling Covid 19 in both the first and second waves. It stood out in the field of management of covid cases requiring intensive care resulting in minimum mortality and maximum recovery. The expertise of the doctors to handle ICU cases along with the state-of-the-art infrastructure in the hospital was the major reason that the district administration of Ghaziabad imposed their total faith and trust on Santosh hospital. The entire caseload of Covid cases requiring ICU care were solely handled by Santosh with minimum mortality in the entire state. Santosh hospital was rightfully christened as Lighthouse of Ghaziabad by Principal Secretary Dr Rajneesh Dubey.

#### Round the clock ICU

ICU at Santosh hospital was continuously monitored through the control room which was manned by ICU consultants and super specialists. In accordance with the SOPs of UP state, e referrals were also sought from the state referral centers as and when needed. This resulted in the minimum mortality and maximum recovery.

#### Provision of Psychological support to patients

All the patients, both in isolation wards and ICU were visited daily by Faculty from department of Psychiatry and Psychology. This immensely boosted the recovery rates in patients.

#### Post Covid Care Clinics

Post Covid Care Clinics were started for the discharged patients by the department of Respiratory medicine for follow-up of their clinical condition and follow up PFT and CT scans.

#### AWARDS received by the Institutions

For the exceptional work and selfless service delivered by the institution, it was bestowed upon with several awards including IMA excellence award, Ayushman Award from Dainik Jagran, DX Awards 2020 for e-ICU model, Rotary Inner Wheel Appreciation Award.

#### Maternal & Child Health Care in Covid Patients

Santosh successfully conducted maximum number of Covid NVD's and Caesarian sections during both covid waves. It is a matter of great pride that we could contribute some joy to the Ghaziabad families during these bleak times.

#### Minimum Infection amongst Health Care Workers

Maximum Training and Retraining sessions for medical and non-medical staff. A total of 472 medical doctors and 483 paramedical staff were trained in Covid SOPs and management through continuous training sessions within the shortest span of 2 months. Separate Red and Green Corridors for infected and non-infected patients and Health Care Workers were created. This resulted in minimum infection amongst the staff members.

#### COVID WARRIOR Certificates, Covid Allowance and Special Covid leaves for the Health Care Workers

To boost the morale of the Health Care Workers and to acknowledge the exemplary contribution from them, the institution awarded many incentives. They were given Covid Warrior certificates, special leave, Covid allowance & support.

#### Felicitation of discharged patients

To enhance the feel-good factor all the discharged patients were felicitated with a shawl and garland in memory of their pleasant stay and recovery at Santosh hospital.

## Rural Health and Training Centre, Asalat Nagar

The Rural Health Training Centre (RHTC) of Department of Community Medicine is situated at a distance of 16km from Santosh Medical College, in Asalat Nagar, Moradnagar, Ghaziabad. The centre is situated in a building with a field practice area including Shobapur, Nabipur, Kanoja, Jalalpur, Sainthali, Morta, Asalat Nagar, and Kavi Nagar.

The RHTC is in a building with cubicles each for Registration, Nursing/ Dressing room, Male and Female OPDs, Immunization room, Laboratory and IPD services. The centre is also equipped with an ambulance facility for the transportation of patients who are referred to Santosh Hospitals for further evaluation.

It has residential accommodation for interns and postgraduate students, along with mess facilities.

There is a separate room for teaching purposes.

The RHTC has qualified, efficient and sincere staff responsible for the smooth functioning of the centre.

### Services offered

- OPD services
- IPD services
- Specialist OPD
- MCH services
- Laboratory services

### Teaching learning activities

- Undergraduate teaching
- Postgraduate teaching
- Family Health Surveys

## Urban Health and Training Centre, Pratap Vihar

Established in April 2006, the Urban Health Training Centre (UHTC) of Department of Community Medicine is situated at a distance of 1km from Santosh Medical College in Pratap Vihar, Ghaziabad. The centre is situated in a building with a field practice area including Charan Singh colony, Siddharth Vihar, Pratap Vihar and Vijay Nagar.

The centre comes directly under the financial and administrative control of the Dean, SMC. It is situated in the urban area of Pratap Vihar and caters to the health needs of a marginalized local population of around 10,000 of that area.

The UHTC is in a building on 112 sq. m, with 9 cubicles each for Registration, Nursing/ Dressing room, Male and Female OPDs, Immunization room, Laboratory and Day care room. The centre is also equipped with an ambulance facility, for the transportation of patients who are referred to Santosh Hospitals for further evaluation.

The UHTC has qualified, efficient and sincere staff responsible for the smooth functioning of the centre.

### Services offered

- OPD services
- Day care services
- Specialist OPD
- MCH services
- Laboratory services

### Teaching learning activities

- Undergraduate teaching
- Postgraduate teaching
- Family Health Surveys

## Santosh Central Library

As a dynamic and integral part of the academic and scholarly enterprise, the Medical Library is an essential component of the institute's outstanding Research and intellectual mission, to educate and nurture students, to create knowledge and to provide service to the community and beyond. The Library occupies a place of pride in the University and seeks to provide high quality information services, instruction and resources to our students, faculty, researchers and staff of the University. It is a most lively place on the campus providing a safe, comfortable and friendly environment that enables learning and advancement of knowledge and promoting discovery and scholarship.

### Scopus - Abstract and Citation Database

Scopus is Elsevier's abstract and citation database Scopus covers nearly 36,377 titles (22,794 active titles and 13,583 inactive titles) from approximately 11,678 publishers, of which 34,346 are peer-reviewed journals in top-level subject fields: life sciences, social sciences, physical sciences and health sciences. It covers three types of sources: book series, journals and trade journals. All journals covered in the Scopus database, regardless of who they are published under, are reviewed each year to ensure high quality standards are maintained. Searches in Scopus also incorporate searches of patent databases. Scopus gives four types of quality measure for each title; those are h-Index, CiteScore, SJR (SCImago Journal Rank) and SNIP (Source Normalized Impact per Paper).

## Santosh Central Research Facility

University Research is the foundation of knowledge & a tool for evidence-based decisions that has the power to bring diverse groups of people together behind a common, focused goal. Santosh Deemed to be University promotes innovative, cutting-edge, multidisciplinary Research aimed at achieving groundbreaking scientific achievements & progressively improved its Research capabilities and outcomes over the last five years. The university now has a colossal mass of reputed faculty and students dedicated to quality research. High standards of research and impact factors in the Research publications by the faculty and the students indicate an improved performance of Santosh University in the field of Research & Innovation. University strongly believes that the student and faculty members start-ups will contribute towards health care market expansion towards job creation. Santosh is the one of the few health care universities to come up with its own incubator, the section - 8 company namely Santosh Start-Ups Forum(SSF), to promote new technologies and entrepreneurship development ventures. Over the past five years, our commitment to fostering innovation and pioneering multidisciplinary Research has soared to new heights. Research dynamism has its soul in recognizing the talent of the faculty and students resulting into the decentralization of Research. This strategy ensures that faculty at every echelon are actively engaged in the Research process. By empowering them across the departments, we stimulate a culture of innovation, foster diverse perspectives, and amplify our collective Research aptitude.

### Student-Centric Research Grants: Nurturing Ingenuity

We firmly believe in the transformative potential of student-led initiatives. Santosh Deemed to be University champions student projects through dedicated Research grants and rigorous mentorship. These grants serve as incubators for creativity, empowering students to explore uncharted territories, harness cutting-edge technologies, and contribute meaningfully to the realms of healthcare and beyond.

### Facts and Figures

- A well-established Central Research Facility / R&D cell with recognition by SIRO (DSIR)
- DHR recognized Ethics Committee as per latest ICMR guidelines
- 200 plus eminent faculty members as mentors/guides with strong Research background
- More than 85 National/International collaboration for joint research and faculty development
- Well established Clinical Trial Unit.
- E-cell to promote entrepreneurial culture among students & faculty
- Innovation and Incubation Centre-Santosh Start-ups Forum (Section-8 Company).
- Well established IPR cell
- Well established Bioethics unit by International chair in Bioethics & WMA
- Consultancy services in the field of Health Sciences.
- Research oriented extension activities for the benefit of society under ISR.
- Well established BSL 2 Lab
- Stem Cell Research and therapeutic unit

### IPR Milestones and Fostering Entrepreneurship:

In a remarkable journey from inception, Santosh University has catapulted from zero Intellectual Property Rights to securing over 93 IPRs in less than five years. This exponential growth stands testament to our unwavering dedication to innovation and originality, cementing our position as pioneers in Research and Development. The spirit of entrepreneurship amongst students, faculty and researchers is fostered through SSF that shows the vision and commitment of the institution towards "Atmanirbhar Bharat". This forum not only cultivates innovation locally but also extends its wings to accommodate incubates from beyond our campus boundaries. The Santosh Start-Ups Forum is currently serving as hatchery to more than 21 entrepreneurial ventures.

### Extension and Outreach:

Institutional social responsibility is an initiative extended beyond professionals, with the general public being educated and supported in the terms of free consultation, procedures, medications to simultaneously enhance the skills of medical professionals, focusing on improving patient care, and ISR. In the outreach settings, emphasis is placed on recognizing medical emergencies promptly and ensuring timely referrals to the main hospital. We are in the process of building an AI to automate the administrative and Research tasks associated with doctor consultation.

### Cultivating a Future of Possibilities

As one of the few healthcare-focused universities pioneering in startups, we believe that our student and faculty-owned startups will play a pivotal role in expanding the healthcare market and generating employment opportunities. Notably, the emergence of these startups from technology courses, rather than solely from health sciences, underlines our commitment to interdisciplinary innovation.

## Outcomes

- Total number of papers published > 1500: More than 1200 Number of publications in Indexed National and International Journals
- Number of Books/Chapters published: More than 192
- Extra mural funding from Non-Govt./ Govt. sources 2.5 Cr
- More than 93 Patents/Copyrights.
- IIC 3.5 Star rating in 2022-23
- 1500+ students sensitized, 110+ EDPs and more than 20 FDPs conducted
- 21+ Start-ups Incubated in the Campus
- More than 85 National/International MOUS
- Faculty and Students recognized by well-known awarding agencies

## MOUs and Collaborations

Santosh Deemed to be University is dedicated to providing students with world-class education that includes significant Research and Innovation through global collaboration in order to have the greatest global impact possible. Our goal is to draw attention to outstanding students from a variety of backgrounds across the world and prepare them for achievement and success in a competitive international employment market. There are MOUs in place with foreign and Indian institutions, universities, and industries for academic and research collaborations and R&D Projects, with provisions for the establishment of specific exchange programs beneficial to the respective educational institutions, as well as joint teaching and research programs, training activities, and other academic exchanges of mutual interest.

These collaborations make our campus one of the most diverse and multicultural in the country. These collaborations effectively contribute to the rapidly growing knowledge and professional excellence of our students and faculty in the fields of Medicine and Dentistry.

The University as on data has over 100+ MOUs with reputed International Universities, Industries, Hospitals, Medical Education Hubs and NGOs worldwide for various academic and Research projects.

### International MOUs

### International Collaboration and Exchange Program

Exchange Program under International collaboration with the University of International repute have been going on since last 8 years to train medical professionals regarding various aspects of improving patient care especially in the outpatient setup.

During this program, general public was taught the importance of knowing basic CPR in case of emergency situations. Live dummy demonstrations and skills were also conducted. More than 20 Students from University of Florida participated. Three village camps were organized, and students looked into common ailments under supervision of experienced faculty. International Collaboration with Missouri State University and Bioethics Haifa are also helping students and faculty with breakthrough in knowledge, free exchange of ideas and enduring bonds.

In Conclusion, at Santosh Deemed to be University, Research isn't merely a pursuit; it's a relentless quest for progress and innovation. Through collaborative efforts, decentralized engagement, support for student initiatives, a burgeoning pool of Intellectual Property Rights, and a commitment to entrepreneurial ventures, we forge ahead in shaping a future where knowledge transforms into tangible solutions, benefitting society at large. The Research outcomes of university reinforce the institution's commitment to nurturing a fertile environment where creativity flourishes, where ideas transcend conventional limits, and where each innovative spark has the potential to ignite transformative change.

## Foreign Sponsorship of our best students

### Cologne Educational Tour, Germany

The top 3 BDS students - Dr. Drishti Adhikari, Dr. Dherendra Bhati, and Dr. Tanya Katyal, were awarded an educational tour to Cologne, Germany, recognizing their outstanding achievements and academic excellence. Their expedition was expertly guided by our esteemed faculty members who served as their mentors and chaperones throughout this incredible voyage.

Dean Student Welfare, Dr. Rajiv Ahluwalia, and the Head of the Department of Oral & Maxillofacial Surgery, Dr. Amit Bihari Lall, accompanied these promising young minds, ensuring their academic and personal growth during this unforgettable journey. This enriching experience not only broadened their horizons but also fostered cultural understanding and global awareness, contributing significantly to their holistic development as future healthcare professionals.

**When the best are at their best, the best gets achieved...**

Our top 3 students are awarded the **Cologne Educational Tour** to encourage and celebrate their exemplary performance.

<b>DRISHTI ADHIKARI</b> (2018-19 Batch)	<b>DHERENDRA BHATI</b> (2018-19 Batch)	<b>TANYA KATYAL</b> (2018-19 Batch)

## AEEDC Dubai Trip

Our top three performers - Phunchok Dolma, Rupal, and Pawan Pal - have been honored with the opportunity to participate in a fully-paid trip to AEEDC Dubai as recognition of their outstanding achievements. During this educational tour, the students had the opportunity to engage with prominent figures in the global dental industry and were exposed to cutting-edge dental technologies worldwide. This experience helped them enhance their academic acumen, fostering increased knowledge and expertise. Immersed in workshops, seminars, and hands-on demonstrations, they gained invaluable insights into the latest advancements in dentistry. Interacting with professionals from diverse backgrounds broadened their perspectives and inspired them to strive for excellence in their future endeavors. This transformative journey not only enriched their academic pursuits but also instilled in them a deeper appreciation for the global dental landscape and the importance of continuous learning in their professional journey.

## DPU Thailand Trip

Embarking on an enriching journey of global exploration and academic enrichment, our top 3 MBBS students - Ms. Jyoti Mangla, Mr. Sambhav Tripathy, and Ms. Kanika Aggarwal - embarked on a 5-day international exposure trip to Thailand on August 14th, 2023. This prestigious opportunity was a testament to their exceptional academic achievements and commitment to medical excellence. Throughout their expedition, they immersed themselves in Thailand's vibrant medical landscape, engaging with renowned healthcare professionals and experiencing firsthand the latest advancements in the field.

Guided by seasoned mentors, they explored diverse healthcare practices, participated in insightful discussions, and forged invaluable connections with peers from around the world. As they returned, they brought back with them newfound knowledge, insights, and inspiration, poised to make a significant impact in the medical community. This transformative experience will undoubtedly shape their future endeavors and contribute to their continued success in the medical field.

## Southwestern University (SWU) PHINMA Trip

We organized an academic excursion for our top three performers at Southwestern University (SWU) PHINMA in the Philippines from 4th August to 10th August 2024. During this international experience, our scholars had the unique opportunity to engage with advanced therapies in Oncology, Robotics, and Cardiology.

The program aimed to enhance their academic knowledge while fostering human values rooted in selfless service, preparing them for leadership roles in healthcare. It also provided them with hands-on experience in cutting-edge medical technology, exposing them to diverse treatment methodologies and practices that are shaping the future of healthcare globally. Guided by Dr. Sarita Agarwal, Professor & HOD Ophthalmology, and Dr. Deepika, Professor PSM, the excursion underscored our dedication to providing students with global learning experiences.

This opportunity empowered them with the knowledge and skills necessary to make impactful contributions to the field of medicine. The exposure to international perspectives also broadened their understanding of healthcare challenges, preparing them to be adaptable and forward-thinking in their future careers. This journey was an invaluable step towards their growth as healthcare professionals.

## International Student Program Media Coverage

## Hostel

The hostel is another home for the students. The University provides rooms with an attached bathroom to the students with separate areas of residence for Male and Female. Relocating to a new city can be a nerve-wracking experience and all one wishes for is a sense of belonging and comfort. Santosh student housing network is a breath of fresh air! From carefully designed spaces to a rich bouquet of services and exciting experiences, we are redefining student living in our Hostels.

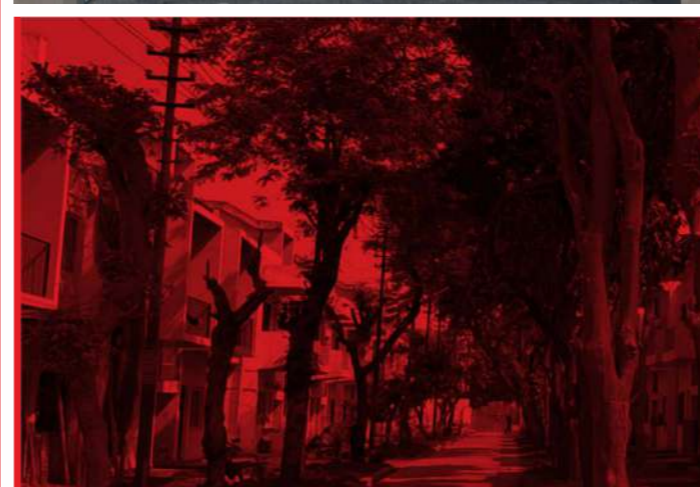

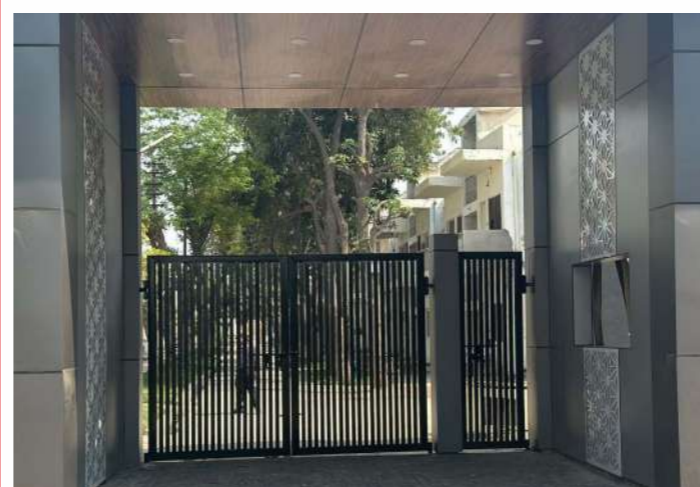

We are creating a network of tastefully-designed, high-quality student hostels so students never have to worry about proper housing facilities. We provide fully furnished hostel rooms for girls and boys designed with an in-depth understanding of students' needs and make a good home away from home. Girls and boys have separate blocks, and each block has a fixed capacity. There is a range of accommodation options to choose from for students' convenience, lively dining areas, comfortable lounge rooms, dedicated fitness corners and entertainment spaces - our endeavour is to provide you with enriching and vibrant spaces where you can unwind with your fellow Santoshians.

### Extra-Curricular Activities & Events

Santosh Deemed to be University is keen on developing the all-round personality of the students. It not only focuses on providing the best education to students but also emphasizes on various co-curricular and extra-curricular activities for students. As the saying goes, Health is Wealth; the University conducts various in-house sports competitions in the name of "AURA" an annual event of the University.

The University encourages students to participate in various sports and games competitions that are conducted outside the University also. Students are rejuvenated with intercollegiate events. "MILAP" is an academic and cultural event. "Beat 'D' Heat" is another intercollegiate event with sports in 14 disciplines. Both involve participation of more than 31 medical colleges.

2 National Copyrighted Events accredited by Medical Council - National SANCON annual academic conference of the University and National Health Skills Conclave, a unique event where 30 different skills are learned are organized every year with participation of more than 1000 delegates. Students and faculty from all medical colleges participate in this event.

### Amenities

We know you have more tasks to focus on, other places to be and better things to do. So, we offer a wide range of facilities, under one roof, that ensures a truly comfortable living experience.

### Professional housekeeping

Daily cleaning chores run by a rigorously trained hospitality team that ensures cleanliness and hygienic surroundings that you'll love to come back to, each day.

### Healthy and flavorful meals

A perfect blend of nutrition and taste, we provide meal services from breakfast to dinner, cooked in hygienic-licensed kitchens. Enjoy a side of extra, with our 24x7 tea/coffee facility.

### High-speed internet

Not a luxury anymore, but a necessity - 24x7 high-speed internet with secure connections and efficient bandwidth allocation to ensure you're always connected.

### High tech security

Your safety and security is of utmost importance. Hence, every stanza is installed with a robust 24x7 security ecosystem built on an extensive hardware framework. We also have a responsive team to address safety concerns within residence and immediate vicinity.

- Bio-metric attendance
- Emergency response team
- Exclusive uninterrupted common room for hostel student
- Central residence monitoring
- CCTV surveillance

### Extra-Curricular Activities & Events

Santosh Deemed to be University is keen on developing the all-round personality of the students. It not only focuses on providing the best education to students but also emphasizes on various co-curricular and extra-curricular activities for students. As the saying goes, Health is Wealth; the University conducts various in-house sports competitions in the name of "AURA" an annual event of the University. The University encourages students to participate in various sports and games competitions.

## Santosh Alumni Association

Alumni Association of the University is a Registered Body - Santosh Alumni Association having 874 Registered members. Majority of the Alumni of the University are well placed in International and National well reputed Institutes and Hospitals where they have contributed not only in the field of patient care but also as policy makers in administrative roles. They have received numerous awards and brought laurels in various events. Students with extraordinary talent of culture and sports are sponsored by the University to excel in their field.

## Institutional Distinctiveness: Women Empowerment

At Santosh Deemed to be University, women take center stage as leaders and trailblazers. From senior leadership roles to academic positions, women form the backbone of our institution, driving positive change and inspiring excellence in every facet of our operations.

Our commitment to gender equality is unwavering, as evidenced by the majority representation of women in key leadership and academic positions. We believe in creating a supportive and inclusive environment where women are encouraged to thrive, excel, and shatter glass ceilings.

Through mentorship programs, leadership initiatives, and advocacy efforts, we empower women to reach their full potential and become catalysts for change in their communities and beyond. At Santosh Deemed to be University, women's empowerment isn't just a goal—it's a fundamental principle that guides our every action and decision, paving the way for a brighter, more equitable future.

## Shree Maha Ganapati Temple (In the University Campus)

Shree Maha Ganapati Temple stands tall as a beacon of tradition and spirituality within our campus. It symbolizes our deep-rooted reverence for the divine and serves as a sanctuary for seekers of blessings and guidance. As we rejoice in the inauguration of this sacred abode, we extend a warm invitation to all to immerse themselves in the divine grace of Maha Ganapati - the remover of obstacles, the harbinger of prosperity, and the epitome of wisdom.

We firmly believe that divine intervention paves the path for extraordinary achievements, not just for our students and medical professionals, but for our entire nation. With the benevolent presence of Maha Ganapati, we envision India ascending to greater heights, fulfilling its destiny as a Vishvaguru - a beacon of knowledge and enlightenment for the world.

This temple is not just a place of worship; it is a hub of cultural heritage, fostering a sense of community and shared spirituality. It is here that we find solace, strength, and inspiration to overcome challenges and pursue excellence in every endeavor. We invite you to visit, offer your prayers, and become part of a tradition that binds us together in faith and purpose. Let us come together to celebrate this divine blessing and strive towards a future illuminated by wisdom and prosperity.

Shree Maha Ganapati temple

## Student Diversity

Dive into a mosaic of cultures at Santosh Deemed to be University. From the serene landscapes of Himachal Pradesh to the bustling streets of Delhi, our campus echoes with diversity.

With students hailing from 24 states across India and beyond, we foster a dynamic and inclusive community where individuals from diverse backgrounds come together to ignite curiosity, foster understanding, and drive innovation. At Santosh Deemed to be University, every corner resonates with the vibrant hues of multiculturalism, creating an environment where learning transcends boundaries and personal growth knows no limits. Celebrate the beauty of diversity and experience the power of unity as you embark on an enriching educational journey with us.

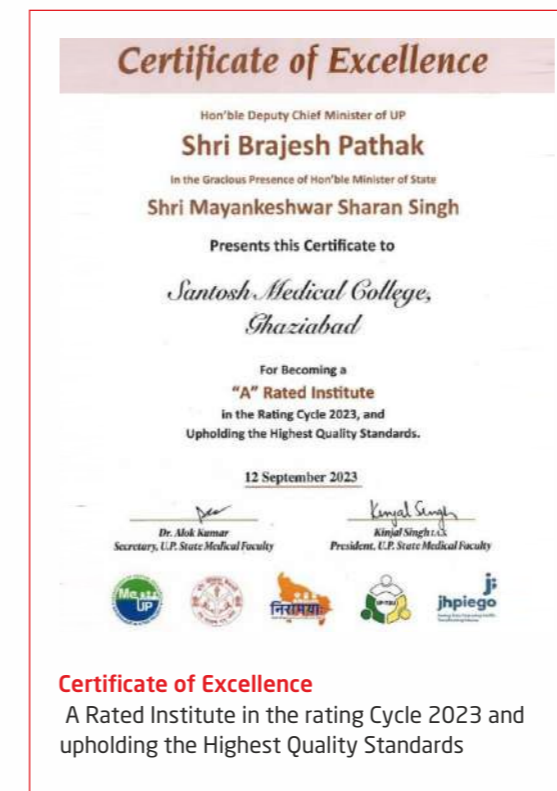

Numbers indicate students from respective states

## Awards and Accreditations

At Santosh Deemed to be University, our commitment to excellence is not only a promise but a recognized reality. Our Rankings page proudly showcases accolades bestowed upon us by reputable institutions, affirming our position as a beacon of quality in education and healthcare. These prestigious rankings are not merely numbers; they represent a testament to our unwavering dedication to academic brilliance, healthcare innovation, and transformative research. The recognition we've received from recognized bodies underscores the relentless pursuit of excellence across all facets of our institution. From cutting-edge research initiatives to providing exceptional healthcare services, our rankings mirror the impact we've made on the educational and healthcare landscapes.

Our continuous efforts to foster an environment of innovation, rigorous academic standards, and holistic development have earned us accolades that inspire further growth. The numerous awards we have received reflect the tireless work of our faculty, staff, and students who strive to make a difference. With every milestone, we reaffirm our commitment to providing world-class education and healthcare services, ensuring that our graduates are equipped to lead in their respective fields.

## Mobile Dental Van

Santosh Dental College is proud to introduce our innovative Mobile Dental Van initiative, a testament to our commitment to extending dental care beyond the confines of our campus and into the heart of communities in need. This state-of-the-art mobile clinic is designed to bridge the gap in dental healthcare accessibility, bringing quality dental services directly to the doorsteps of underserved populations who may otherwise face barriers to accessing care.

Equipped with the latest dental technologies and staffed by skilled professionals and enthusiastic dental students from Santosh Dental College, the Mobile Dental Van offers a wide range of services. From routine check-ups and cleanings to more complex procedures, the van is a full-service dental office on wheels. Our aim is to provide preventive and curative dental services with a focus on educating communities about oral health's importance, promoting good dental hygiene practices that can prevent many dental diseases.

The Mobile Dental Van initiative is more than just a mobile clinic; it's a movement towards inclusive healthcare, ensuring that quality dental care is not a privilege but a right accessible to all. It reflects our holistic approach to education, where our students gain invaluable real-world experience while serving the community.

## Aura 2K23

Santosh deemed to be University celebrated its most awaited annual fest AURA 2K23 on 11, 12 and 13th December 2023. The preparations began early, taking various aspects into consideration such as setting up of stage, formulating student committees, deciding cultural, arts, academic, sports events etc, to ensure smooth functioning.

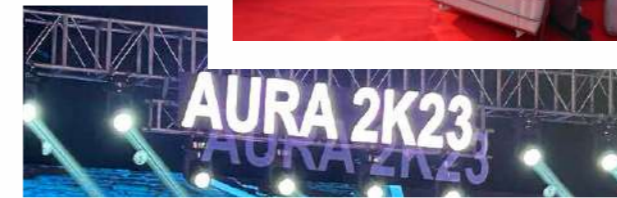

The fest comprised of indoor and outdoor sports, colourful cultural events, academic and creative artistic competitions. Sports events were conducted throughout the week prior to the main dates (4<sup>th</sup> - 10<sup>th</sup> December). Not only students, but even faculties brought their inner sportsman on the field, for certain sports were also conducted exclusively for them. Other events were took place on the main dates, inclusive of simultaneous prize distribution ceremonies. Leadership, students and faculties also participated enthusiastically in Antakshari competition which proved to be greatly vibrant and joyous.

The AURA stage was ready and decked up on the dusk of 12<sup>th</sup> December for the glamorous 'Fashion Show', following which the INAUGURATION ceremony was held, with the lightning of lamp by the respected Leadership of Santosh deemed to be University. The day ended with the groovy beats of DJMUNEKA.

The highlight of the Fest, Celebrity Singer SukhE rocked the stage with his foot tapping and ravishing raps on the night of 13th December, which surely made the crowd go all gaga and charged up.
